

APOS *Premium*

HIGH SPEED SINGLE STATION THERMAL PRINTER
DESIGNED FOR HOSPITALITY, POS, TICKETING AND COUPONING APPLICATIONS

80 mm

FAST

Over the years, AXIOHM has sold thousands of APOS printers in the POS and hospitality fields and now introduces the next generation (*Premium*) which benefits not only from its' previous experience but also from the addition of high speed printing capability (up to 130 mm/s).

RELIABLE

The APOS printer family is famous for its' reliability both in terms of mechanical life expectancy (up to 150 km of paper) and automatic cutter life (up to 2 Million full or partial cuts). This long life cutter features a self-sharpening ceramic blade.

EASY TO USE

APOS *Premium* features the famous CLAMSHELL™ design which makes changing paper roll a snap : open the cover, insert the roll, close the cover

and that's it! The easily accessible paper path eliminates downtime by avoiding paper jams. Thanks to its' small footprint and low height, this printer can be used either on a countertop or under the counter (drawer) without any problem.

VERSATILE

WHATEVER YOUR REQUIREMENTS, THE APOS *Premium* HAS A SOLUTION :

- buzzer for kitchen applications,
- cash drawer driver that automatically triggers the drawer and provides status to the host,
- USB interface,
- capability to download your own fonts and logos,
- colour option (beige or charcoal) to fit in with the rest of your shop,
- wall mounting kit for space saving purposes,
- Windows drivers (98/Me/00/XP)
- and many others.

PRINT YOUR RECEIPTS AND COUPONS ON THE APOS *Premium*, YOU WILL BENEFIT FROM ALL THE ADVANTAGES OF THE THERMAL TECHNOLOGY (LOW TOTAL COST OF OWNERSHIP, SILENT, EASY AND LOW MAINTENANCE) COMBINED WITH EXTREMELY HIGH PERFORMANCES AND RELIABILITY.

DO NOT LOSE TIME ANY LONGER LOOKING FOR A PRINTER, THE APOS *Premium* IS THE ANSWER.

Axiohm

OTHER AXIOHM PRODUCTS

Axiohm supplies a large family of thermal printers and accessories (cutters, cables, power supply,...), which offer customers a wide range of applications such as graphics, barcodes, receipt or label printing. Furthermore, an extensive range of OEM thermal mechanisms and turnkey printing solutions (kiosks) gives you a maximum flexibility in design.

Our sales force is available to provide you with full support wherever you are located in the world.

You can also rely on our Technical Support team that will promptly respond to any technical inquiry and help you to integrate the thermal printing solution with your system.

TECHNICAL SPECIFICATIONS

CHARACTERISTICS	UNIT	APOS Premium
Printing speed	mm/s	130
Printing width	mm	72
Resolution	dot/mm	8
Number of dots	dot	576
Columns	Column	36/44/56
Character size	dot*dot	10*24, 13*24, 16*24
Character type	-	CP 437, CP 858
Paper width	mm	80
Paper roll diameter	mm	83 max
Paper loading	-	Clamshell™
Voltage	V	24
Current consumption	A	2.5
Head pulse life	pulse	100*10 ⁶
Mechanical reliability	km	150
Dimensions (W*D*H)	mm	170*115*205
Weight (with cutter)	g	1390
Operating temperature	°C	0-50
Operating humidity	%RH	10-90
Cutter	-	with ceramic blade
Cutter life	cut	2 Million
Data buffer	kBytes	4
Flash memory	kBytes	1000
Interface	-	RS 232, USB
Driver	-	Windows 98/Me/00/XP, OPOS
Emulation	-	ESC/POS
Safety standards	-	CE Class B, cUL, UL, FCC Class A, EN 60 950
Options	-	Cash Drawer Kick Out, buzzer, Kanji version
Added features	-	wall mounting kit, colors : charcoal or beige
